

FOR IMMEDIATE RELEASE

Kymanox Hires Project Specialist for RTP Division

Jie Shen, who graduated with a major in Mathematical Decision Science from the University of North Carolina, has joined the Kymanox Team in NC

Durham, North Carolina USA | 14OCT10 | Kymanox is pleased to announce the hire of Jie Shen for the position of Project Specialist in our Research Triangle Park (RTP) office. Ms. Shen completed a degree in Mathematical Decision Science with a concentration in Statistics at the University of North Carolina at Chapel Hill and has studied Operational Research at the graduate level. She is fluent in written and spoken Mandarin Chinese and highly proficient in Japanese.

Kymanox President, Stephen M. Perry, says, "We are all excited to have Ms. Shen on board. In her short time with us, she has shown excellent leadership aptitude and a strong work ethic. Her analytical, organizational, and problem-solving skills have already been put to good use."

Kymanox will expose Ms. Shen to Industry Standards, Professional Project Management, Biopharmaceutical Manufacturing, Good Manufacturing Practices, Good Documentation Practices, Validation, GMP Statistics, Sales, Customer Service, and Product Management as part of her intensive rotational development program.
