Kymanox Purchases GMPPENS™

Kymanox, LLC has purchased full ownership and all rights of GMPPENS™, cGMP Compliant Indelible Ink™, www.gmppens.com, and all associated physical assets and intellectual property from Inovadex, Inc., a diversified technology and innovation company based in the State of North Carolina. This purchase is effective today, 28FEB09.

According to Kymanox's President, Stephen M. Perry:

“This business purchase represents a major milestone for our organization. We are committed to growing the GMPPENS™ brand and serving the needs of our clients who require products such as what GMPPENS™ offers. We also feel that GMPPENS™ will integrate well with our other existing product and service offerings.”

KYMANOX COMPANY DESCRIPTION

Kymanox (ki'-mah-noks') means *Ideal Knowledge Transfer™* and serves the Biotechnology, Pharmaceutical, and Medical Device industries. We provide clients with Technical Project Management, Engineering, Quality and Regulatory, Commissioning and Validation, Automation and Software, and Training. Kymanox also offers products and downloads at www.KymaSTORE.com which compliment our service offerings.
